

Dear User Group,

We wish to advise of upcoming roof renewal works at AquaZone. Dates have now been confirmed, with all indoor facilities to be closed from 15 November until 18 December.

While the closure is still almost three months away, we believe it is important to keep you informed and provide as much notice as possible.

The current project schedule is as follows:

Site preparation commences: Monday 19th October

Construction commences: Monday 2nd November

Full indoor facility closure: 15th November – 18th December

Practical completion: 18th December

During this period, the 50m pool will remain open during AquaZone's normal operating hours: 6am–8pm Monday to Friday, and 7am–6pm Saturday and Sunday.

Please note that space in the 50m pool during peak times will be impacted, as some programs normally conducted indoors will operate in this space.

Learn to Swim will operate in this space between 3:30pm and 7pm on weeknights, and from 8am to 1pm on Saturdays. Aqua aerobics will also run Monday to Friday from 10am, and on Monday and Wednesday evenings from 6:45pm.

If you require lane bookings for this period, please contact Mark. Please be mindful that we may need to make some small changes during this period to accommodate all users, and have supplied a rough outline below of where programs will be located.

General information on changes during the roof works period:

The 50m pool will remain open and available, with the water temperature increased to make it more comfortable, particularly for Learn to Swim students.

Portable amenities will be located within the outdoor area and will include limited shower, changeroom and toilet facilities. We encourage swimmers to arrive ready to swim and, where possible, shower and change at home after their visit.

Access to the pool during this time will be via the rear gate located next to the Swim Club rooms, with parking available in both the Swim Club and AquaZone carparks.

Gym

We will set up a temporary gym at the Warrnambool Stadium on Caramut Road. While we are not able to transport all equipment, the temporary gym will still allow you to train major muscle groups and complete cardio workouts.

A detailed list of equipment will be available shortly.

It is anticipated that the gym will be open from 6am to 12pm and 3:30pm to 7pm, Monday to Friday; from 7am to 12pm on Saturday; and from 9am to 12pm on Sunday. These times will be confirmed closer to the date and will include programs such as the General Exercise Program (G.E.C.).

Questions

If you have any questions about these temporary arrangements, please speak with our Customer Service team.

Parents and carers of Learn to Swim students will receive a separate email with more information about classes.

You can also find more details about the roof renewal project on our website.

Regards,
AquaZone Team
